Dear Sir & Friend

Is there any probability of vacancy at Dunbar school? If so will you kindly advise me so I may notify my sister May; in order that she can apply for position as teacher.

It is very necessary that she get a school this year for unless she does her certificate becomes void in short time unless renewed. I am sure she would give satisfaction as teacher and any effort you will kindly make in her behalf will be greatly appreciated as trustee and an old friend

Yrs Resptly
